

GSDC of Oregon

General Membership meeting - August 6, 2009

Meeting was called to order at 8:25 by the Secretary as neither the Pres nor VP were present.

Guests were introduced.

The treasurer report was given. Patty had all of the information for the trailer and Don said he would go get a replacement title and renew the tags.

Ruth reported that the board had voted to allocate up to \$4000 to purchase a trailer to replace the current trailer which is too small, too heavy and too hard to maintain.

Ann reported that the trailer had to be moved and Ruth said she would try to contact Jo to see if she could haul it off. Ruth said she would allow it to be parked at her place for a limited time.

Ruth reported that the club had been notified by Jorge Noya that he had suffered a medical emergency and had been informed by his doctor that he would no longer be able to fly. He is therefore unable to judge for us at the May 2010 show.

The board had decided to get list of at least 5 judges elected at this meeting as we need to get the judging slate in place quickly due to time restraints.

Motion by Ann, 2nd by Jim B: **TO USE THE LAST TWO JUDGES FROM LAST YEAR'S SLATE – RITA SANDELL AND BOB DRESCHER.**

Amendment by Lorraine, 2nd by Sally: to elect additional judges to fill in after the first two from the last election. Amendment passed.

Motion as amended passed.

The slate as elected in order is:

Rita Sandell
Bob Drescher
Danny Dweier
Karin Wagner
Ken Downing
Joan Fox

Ruth reminded the members that as per our standing policy, no member of the club may contact any nominated judge and exhibit under that judge. The only persons representing the club will be the show chair and the show secretary, neither of whom will exhibit.

Patty explained the local agility club's desire to run three day weekends and running out of event numbers.

MOTION: (Patty, 2nd by Connie) To allow PAC to run an agility trial in our name, with 5 GSDCO club members on the trial committee, providing us with a certificate of co-insured, in exchange for 25% of the profits.
