

## **GSDC of Oregon General Meeting**

October 1, 2009

The meeting was called to order at 8:00 PM and recessed for the program.

Cynthia Johnson headed the program about serviced dogs, their use, laws, and owner training of a dog.

The dogs included two diabetes alert dogs and two guide dogs. All of these dogs are actually being owner trained, one being from rescue.

The program included handouts and an interesting question and answer period.

This was a wonderful program.

The meeting was reconvened at 9:15.

The March agility trials will be on March 19, 20 and 21. Preparations are going well.

Our June agility event will also be three trials and will include the International courses.
