February 4, 2010

The meeting was called to order at 8:05 by Pres. Primmer.

Reports:

There was no secretary report as Ruth was home on baby watch.

Tracking:

Jim is waiting for verification on park availability. He will try to get it finalized tomorrow.

Agility March: Clark County Fairgrounds

Patty reported that the March Agility Trial is going well. Premium lists are out. Preparations are progressing nicely and we should have a good trial.

Agility June: Clackamas County Fairgrounds

We need to hire a course builder to make certain the event runs smoothly and efficiently.

We also still need a hospitality chair to assist.

Educational Program:

Sharon Harmon, Executive Director of the Oregon Humane Society, gave a presentation on the dog legislation passed last year.

Brag: (these will only be published on the web if the information is provided to Ruth in writing/email)

Jim B: He finished his dog at the Rose City Classic.

Patty B: She and her dogs had another fabulous agility month.

The meeting was adjourned at: 9:40
