

GSDC of Oregon
January Membership Meeting
January 7, 2011

The meeting was held at Sailer's Old Country Kitchen, Portland.
It was called to order at 7:40 by Pres. Jim P.

President's Report: Jim reported on the activities of the AKC delegates meeting held in Long Beach with the AKC invitational.

Agility:

We need to have members on hand at the 3 days of our March agility trial and also for the recently added April trial.

Show preparations are coming along on schedule.

We will need someone to be the hospitality chair.

TDI/CGC – the test is set for March 5th with Chris Cornell officiating. Chris will not need a hotel room as he will be driving down and back that day (12 hours of driving). Patty said that if we want to hold it at the training barn we need to have two certificates of co-insured for the property owner and her. There was talk of charging \$30 for the TDI and \$25 for the CGC but Donna said there were price limits she would verify.

Jim thanked everyone for the good cooperative spirit in the club this year enabling us to have many successful events and programs.

Election: There being an uncontested slate, I was moved and seconded to elect the slate by acclimation.

Elected were:

Pres: Kristina Leipzig, VP: Jo O'Brien, Sec: Ruth Scheubler, Treas: Patty Bensene

Directors: Kathy Berg, Don Blando, Sally Hathaway, Jim Primmer, Donna Schoonover

Awards: A total of 56 title pins and three new awards jackets were presented.

There being no further business, the meeting was adjourned at 8:45.
