

GSDC of Oregon
January Membership Meeting
February 3, 2011

The meeting was held at Sailer's Old Country Kitchen, Portland.
It was called to order at 8 PM and recessed for the program on Canine Blood Donor Program at NWVS .

Secretary: Ruth Reported that the GSDCA Board had voted to move the 2012 National from Ft. Collins, CO to Purina Farms, near St Louis, MO. The 2011 National is in Topeka, KS.

Moved: To send the GSDCA Board a letter asking them to reconsider this ill conceived move.
Passed Unanimously. Letter attached.

Agility:

We need to have members on hand at the 3 days of our March agility trial and also for the recently added April trial. It is imperative that we have a full trial board available should it be needed. The entries are good for this event.

Show: Show preparations are coming along on schedule.
We still need someone to be the hospitality chair.

TDI/CGC – the test is set for March 5th with Chris Cornell officiating. The test is moved to Brigand's Hideout in Battle Ground which saves Chris a lot of driving as well as eliminating one of the insurance certificates. We will be using the loft which was used previously when Chris did a test several years ago. There is a herding clinic going on at the same time but it will not interfere with the test. Dogs will be scheduled for 7/hour. Pre-entries will be given a start time to lessen their wait. There will be a limit of 35 dogs.

Trailer: Randy stated that the trailer will require 2 gallons of the coating (about \$75/gal) and that the club had only authorized \$125.

Moved: To increase the authorized expenditure to \$150. It will be purchased when the weather warms up enough to use it. Passed

Braggs – Patty and Tory had another fabulous Agility weekend.

There being no further business, the meeting was adjourned at 9:15.

Ruth Scheubler, Sec.

RS, DS, KR, R & K H, PB. LH, DB, J&C P, JO,

GUEST: Garth Niddet

NEW APPLICANT: Chris McClure
